To the Members of the Board

Re:  Internet Site Subscription

The Rating Board’s annual subscription for registered users of its Internet site will expire on August 31, 2002. Current registered users must complete the attached order form to renew the subscription as of September 1, 2002. Please note that the current user I.D. and password will be deactivated on August 31, 2002. Upon receipt of payment, the existing user I.D. and password will be reactivated.

New subscribers to the Internet site must also complete the attached form. Each new subscriber will receive confirmation of their payment along with a user I.D. and password. This will remain in effect until August 31, 2003 at which time each subscriber will receive a renewal notification for the following year.

The registered section of the Board site contains complete versions of the Board’s Workers Compensation and Employers Liability Manual, Experience Rating Plan Manual, Retrospective Rating Plan Manual and Unit Statistical Plan Manual, including all updates resulting from the October 1, 2002 rate revision. Data by classification for the most recent five year period which underlie the October 1, 2002 rates and the latest version of the Board’s Master Alphabetical Classification Index (MACI) are also included in this section of the Board’s site. Please note that all other information available on the Board site such as rate queries and Board bulletins, are free of charge to users and do not require access by password or user I.D.

Very truly yours,

Monte Almer
