To the Members of the Board

RE:  New York Workers Compensation
     Classification Code for Boat Salespersons – Code 8748

The Rates Committee has adopted, and the New York State Insurance Department has approved, effective October 1, 2006, for new and renewal business, a change in the classification code for boat salespersons.

Boat salespersons are currently assigned to Code 8017–Retail Store NOC. However, automobile salespersons and tire salespersons are both assigned to Code 8748–Automobiles Salespersons.

A review of the current procedure revealed that there are no distinguishable differences between the duties of an automobile salesperson and a boat salesperson. It was, therefore, deemed appropriate to assign the boat salesperson to Code 8748 as well.

A copy of Page C-11 from the Classification Section of the New York Workers Compensation and Employers Liability Insurance Manual, which includes an entry for Boat Salespersons, is attached for your reference.

Printed manual pages will be distributed as soon as they become available.

Very truly yours,

Monte Almer

President
