To the Members of the Board

Re: New York Workers Compensation
Terrorism Risk Insurance Program Reauthorization Act of 2007

The Rating Board is in the process of filing, for approval, the Terrorism Risk Insurance Reauthorization Act Endorsement (WC 00 01 13A) and the Domestic Terrorism, Earthquake and Catastrophic Industrial Accidents Premium Endorsement (WC 00 04 21B) to reflect the terms of TRIPRA.

In the interim, you are advised that the current Terrorism Risk Insurance Extension Act Endorsement (WC 00 01 13) should not be attached to policies with effective dates of January 1, 2008 or thereafter, as its provisions do not extend beyond December 31, 2007. Furthermore, the Domestic Terrorism, Earthquake and Catastrophic Industrial Accidents Premium Endorsement (WC 00 04 21A) should also not be attached since it references the expired federal act as set forth in WC 00 01 13.

The Foreign Terrorism Premium Endorsement (WC 00 04 22) should continue to be attached to all policies since its verbiage is not affected by TRIPRA.

You will be notified when the updated endorsements have been approved by the Insurance Department. At that time, these new endorsements should be attached to all policies with effective dates on or after January 1, 2008.

Very truly yours,

Monte Almer

President
