R.C. 2205

To: The Members of the Board

Classification Revision – Code 2002
Effective October 1, 2009

The Underwriting Committee of the New York Compensation Insurance Rating Board has authorized, and the New York State Insurance Department has approved, effective October 1, 2009, changes in phraseology for classification code 2002.

The basis for this change results from NCCI’s (National Council on Compensation Insurance) adoption of a change in phraseology for Code 2002 from Macaroni Mfg. to Pasta or Noodle Mfg. with an effective date of Jan 1, 2011 for rate/loss cost filings. Given the more frequent use of this terminology, the Board has adopted the additional phraseology for Code 2002 “Pasta or Noodle Mfg.”

Additionally the phraseology for Code 2002 Macaroni Mfg. has been retained in New York and stuffed pasta is incorporated into the interpretation for Code 2002. This change is being made in order to conform to NCCI’s interpretation of stuffed pasta such as ravioli, tortellini, manicotti, etc. to be inclusive under Code 2002 rather than being assigned to Code 2003 (Bakery & Route Salesperson, Route Supervisors, Drivers) as it was previously done in New York.

The pages in the NYWC&EL Manual which are affected by this change, specifically pages C-53, C-58 and C-62, are attached for your reference and have been updated accordingly in the on-line version of the manual.

Very truly yours,

Monte Almer

President
