Re: Video Recordings of Presentations
2020 New York State Workers' Compensation Forum

Members of the Rating Board:

I write to invite you to view video recordings of the presentations made at the 2020 New York State Workers' Compensation Forum on the Rating Board's [website](#). These videos include (a) my opening remarks; (b) the presentation of the 2020 State of the System; (c) the presentation of the 2020 Frequency Study; and (d) a panel discussion on the COVID-19 pandemic.

We hope that those who joined our 2020 Virtual Forum found it worthwhile, and that those who were unable to attend benefit from the videos referenced above as well as the reports and research studies, all of which are posted on the Rating Board's website.

We look forward to hosting you next year at the 2021 New York State Workers' Compensation Forum.

Very truly yours,
