Members of the Rating Board:

I write to inform you that the New York State Workers' Compensation Board published Subject Number 046-1343, which announced that the New York State assessment rate will be 11.8% of standard premium or premium equivalent, effective January 1, 2021. See [http://www.wcb.ny.gov/content/main/SubjectNos/sn046\\_1343.jsp](http://www.wcb.ny.gov/content/main/SubjectNos/sn046_1343.jsp).

A revised Miscellaneous Values Page 7 of the Workers' Compensation and Employers' Liability Manual, reflecting the updated assessment rate, has been filed and approved by the New York State Department of Financial Services. A copy of the approved revised Miscellaneous Values Page 7 is attached for your convenience.

Very truly yours,
