Re: New York Workers' Compensation and Employers' Liability Manual
Expiring Classification Codes; Effective Date: October 1, 2022

Members of the Rating Board:

I write to inform you that the New York State Department of Financial Services ("DFS") has approved amendments to the Rating Board's New York Workers' Compensation and Employers' Liability Manual ("Manual"), which are detailed herein, attached hereto, and are effective on October 1, 2022.

By way of brief background, on August 13, 2013, DFS approved the elimination of Codes 2942 (Crayon, Pencil or Penholder Mfg.) and 4439 (Lacquer or Spirit Varnish Mfg.) for scheduled expiration on October 1, 2022. Accordingly, DFS has now approved amendments to the Manual to reflect the October 1, 2022 expiration of Codes 2942 and 4439. The various operations of expiring Code 2942 will be split and merged into either Code 2841 (Woodenware Mfg. – NOC) or Code 4710 (Candle Mfg.). The operations of expiring Code 4439 will be merged into Code 4558 (Paint Mfg.).

The following modified and final pages from the Manual reflecting the approved amendments, are attached for your convenience: Classification Section – Pages C-9, C-14, C-150, C-158, C-291, C-292, C-302, C-302a, and C-314.
