Re: 2022 Annual Letter, State of the System, and Research Brief

Members of the Rating Board:

I write to invite you to visit the Rating Board's website to view the (a) [2022 Annual Letter](#), (b) [2022 State of the System Report](#), and (c) [2022 Research Brief: An Examination of Recent Decreases in New York Workers' Compensation Loss Development Factors](#).

At the 2022 Workers' Compensation Forum, Rating Board staff presented the above-referenced report and research brief and video recordings of those presentations, along with recordings of other presentations made at the Forum, will be posted to the Rating Board's website in the near future.

We hope that those who joined us at the Forum found it worthwhile, and that those who were unable to attend benefit from the research materials available on the Rating Board's website.

I look forward to continuing our work together.

Very truly yours,
