Re: Presentations, Reports, and Studies
2024 Workers' Compensation Forum

Members of the Rating Board:

I write to invite you to view video recordings of the presentations made at the 2024 Workers' Compensation Forum, along with the associated reports and studies, on the Rating Board's [website](#). These videos include (a) a message from the Vice Chair of the Board of Governors; (b) my opening remarks; (c) the 2024 State of the System presentation; (d) an update on the New York State economy from Mr. Jeremy Oreper, Branch Chief and Supervisory Economist at the United States Bureau of Labor Statistics; and (e) the 2024 Claim Frequency and the New York State Economy presentation.

I look forward to continuing our work together.

Very truly yours,
