Re: Educational Material: Types of Workers' Compensation Policies

Members of the Rating Board:

I am pleased to inform you that the Rating Board has released an educational pamphlet and animated video on the different types of workers' compensation policies that are available to employers in the New York workers' compensation insurance marketplace.

Both the pamphlet and animated video are available for viewing in the Learning Center on the Rating Board's [website](#).

I hope that you find the educational pamphlet and video meaningful and valuable. If you have any questions, please contact Mr. Mark Battistelli, Vice President of Underwriting Services at (212) 697- 3535, ext. 113 or at underwritingservices@nycirb.org.

Very truly yours,
