Re: 2026 Annual Letter, State of the System, and Research Brief

Members of the Rating Board:

I write to invite you to visit the Rating Board's website, www.nycirb.org, to view the (a) 2026 Annual Letter, (b) 2026 State of the System Report, and (c) 2026 Research Brief: Medical Provider Experience and Claim Outcomes.

At the 2026 Workers' Compensation Forum, the Rating Board presented the 2026 State of the System Report and the 2026 Research Brief. Video recordings of those presentations as well as the economic update from the United States Bureau of Labor Statistics will be posted to the Rating Board's website soon.

I hope that those who joined us at the Forum found it worthwhile, and that those who were unable to attend benefit from the research materials available on the Rating Board's website.

I look forward to continuing our work together.

Very truly yours,

Jeremy Attie
President and CEO
